## Career Focus Days

APRIL | JULY | OCTOBER | NOVEMBER

## Experience our School, explore your career

If you would like to apply for the CFD program, you need to be enthusiastic and motivated about your career and willing to get involved in all Career Focus Days activities. Please contact us for a short interview. Places are limited so act now to ensure your place!

### For more information

To find out what to wear, how to get there and any other information, go to [www.aihs.edu.au](http://www.aihs.edu.au) or call 1800 500 307 to speak with our friendly Education Counsellors.

# Choosing the right career path, where you will study and what course to enrol in is one of the most important decisions you will ever make.

So to help you with this critical decision, the Australian International Hotel School (AIHS) offers Career Focus Days: a three-day residential program for people considering the industry, aged 16 and over. This program gives you the unique opportunity to get to know our students and staff, learn about our school, experience our industry and explore possible career paths.

## Jump into one of the world's largest industries

Hospitality and tourism is one of the world's largest industries. According to the World Travel and Tourism Council (WTTC), in 2009 travel and tourism accounted for 219,810,000 jobs or 7.6% of total employment globally.

AIHS graduates have taken their qualifications and their skills into a variety of positions worldwide. Even in these challenging economic times, this huge industry offers many diverse career paths around the globe.

When it comes to competing for that exciting management role in a resort in the Maldives or Tahiti, or a five-star hotel in London, Dubai or Shanghai, you'll be glad to have a quality, industry recognised qualification from AIHS.

## Get to know our school

During Career Focus Days, you will have the opportunity to meet many of the lecturers, attend classes and get involved in hands-on training activities. What better way to learn about our programs, our industry and experience the school!

AIHS offers a choice of several two and a half year Bachelor of Business degrees specialising in either International Hotel Management or International Event Management, and a Master of Hotel Management degree. The school operates the commercial four-star boutique property, Hotel Kurrajong, on site as a training facility for students so you gain real life hotelier experience while you study! During your study you undertake paid industry placements in Australia or even abroad.

## Meet our lecturers

At AIHS our lecturers bring international academic qualifications and wide industry experience to their teaching. Our open door policy means you have access to your lecturers whenever you need assistance or advice.

# If you think you would like a career in hospitality or tourism, don't just think about it... check it out.

## Mix with our students

During the Career Focus Days program, you will have the chance to meet and talk with our students from all over the world. Current students will be involved in the program, ensuring that all participants have the opportunity to receive first hand feedback on what it is like to be an AIHS student.

## Learn about our Program

A unique aspect of the AIHS Career Focus Days program is the opportunity to speak first hand with industry professionals and take a behind the scene tour of an international hotel. You will be given privileged back-of-house access to all operational areas of the Hotel Kurrajong.

## Check in and check out a student room

During your time on campus, you will stay in student residential accommodation and experience living with the friendly AIHS student community. Each room is fully furnished and students are provided with bedding, linen and towels. All meals are included in the program and you will be able to dine at our venues on campus.

## If you enrol, we pay back your fees

All students who attend Career Focus Days and subsequently enrol at AIHS will receive a credit of their Career Focus Days fees towards their Level 1 tuition costs.
